6.1.p. for any person to manufacture, sell, transport, deliver, furnish, purchase, consume or possess any nonintoxicating beer except as provided by the laws of this state or rules lawfully promulgated by the Commissioner.

6.2. Nothing in this rule shall prevent or be considered to prohibit any licensee from employing any person who is at least eighteen (18) years of age to serve in the licensee's lawful employ, including the sale or delivery of nonintoxicating beer. With the prior approval of the Commissioner, a licensee whose principal business is the sale of food or consumer goods or the providing of recreational activities, including, but not limited to, nationally franchised fast food outlets, family-oriented restaurants, bowling alleys, drug stores, discount stores, grocery stores, and convenience stores, may employ persons who are less than eighteen (18) years of age but at least sixteen (16) years of age: Provided, that the person's duties shall not include the sale or delivery on nonintoxicating beer or alcoholic liquors: Provided, however, that the authorization to employ persons under the age of eighteen (18) years shall be clearly indicated on the licensee's license.

6.3. The following acts, when performed by distributors, manufacturers or brewers are unlawful:

6.3.a. A distributor may not sell or offer to sell, or a licensed retailer may not purchase or receive, any nonintoxicating beer, except for electronic transfer of funds, cash or a check drawn against the bank

account of the licensed retailer who is making the purchase. The distributor may accept electronic transfer of funds if it is initiated by an irrevocable payment order on the invoiced amount for the nonintoxicating beer. The retailer will pay the cost of the EFT and the distributor must initiate the transfer by noon within one day of delivery as prescribed by W. Va. Code §11-16-18(a)(4). No right of action shall exist to collect any claims for credit extended contrary to the provisions of this section. Nothing in this section prohibits a licensee from crediting to a purchaser the actual price charged for packages or containers returned by the original purchaser as a credit on any sale, or from refunding to any purchaser the amount paid or deposited for the containers when title is retained by the licensee.

6.3.a.1. All distributors must immediately, and in the regular course of business, deposit in the bank all checks given them by licensed retailers for the purchase of nonintoxicating beer. No distributor shall through himself, or his agents or employees, enter into any agreement or understanding with any licensed retailer to hold any checks given in payment for nonintoxicating beer.

6.3.a.2. The repeated giving of worthless checks by the licensed retailer to the distributor or the repeated acceptance of worthless checks from the licensed retailer by the distributor, is prima facie evidence of obtaining an extension of credit and shall, in the discretion of the Commissioner, be grounds for revocation or suspension of the retailer's or distributor's license.

6.3.a.3. Payment for a retail nonintoxicating beer license, or renewal of a license, shall be submitted only in the form of a certified check, cashier's check or money order made payable to the West Virginia Alcohol Beverage Control Commissioner in the exact amount as required by W. Va. Code §11-16-9.

6.3.b. A brewer or distributor or his or her agents, may not transport or deliver nonintoxicating beer to any licensed retailer on Sunday.

6.3.c. A brewer or distributor may not give, furnish, rent or sell any equipment including trailers or draft trucks, fixtures, signs or supplies directly or indirectly or through a subsidiary or affiliate to any licensed retailer engaged in selling products of the brewing industry at retail, or offer any prize, premium, gift or other similar inducement, except advertising matter of nominal value, to either trade or consumer buyers: Provided: that a distributor may offer, for sale or rent, tanks of carbonic gas. Nothing in this section prohibits a brewer from sponsoring any professional or amateur athletic event or from providing prizes or awards for participants and winners in such events: Provided, however, that no such event shall be sponsored which permits actual participation by athletes or other persons who are minors, unless specifically authorized by the Commissioner.

6.3.c.1. No brewer shall contribute to or support, either directly or indirectly, any baseball, football, bowling or other athletic team or contest (except a recognized professional athletic team or contest) unless the brewer or distributor has first obtained written permission from the Commissioner to do so.

6.3.d. Any brewer or distributor, or any salesman, agent or representative of any brewer or distributor, who gives, either directly or indirectly, free goods or discounts to any licensed retailer is subject to immediate license revocation, as provided in W. Va. Code §11-16-18.

6.3.d.1. Free goods, or the giving of a certain number of free cases of nonintoxicating beer, for each number or amount of cases of nonintoxicating beer purchased is prohibited.

6.3.d.2. No brewer, distributor, salesman or representative shall give to any retailer or any person working for or connected with the retailer, either directly or indirectly, anything of more than nominal value. Brewers or their representatives, and distributors or their representatives, are prohibited from trade spending in any licensed retail establishment.

6.3.d.3. A distributor may rotate, stock and price nonintoxicating beer in a licensed nonintoxicating beer retail establishment, except on Sundays; Provided, that products purchased from other distributors are not altered or disturbed.

6.3.e. A distributor may not sell, possess for sale, transport or distribute nonintoxicating beer except in the original container.

6.3.f. A distributor may not sell, offer for sale, distribute or deliver any nonintoxicating beer outside the territory assigned to the distributor by the brewer or manufacturer of such nonintoxicating beer or sell, offer for sale, distribute or deliver any nonintoxicating beer to any licensed retailer whose principal place of business or licensed premises is within the assigned territory of another distributor of nonintoxicating beer: Provided, that nothing in this section prohibits sales of convenience between distributors licensed in this state where one distributor sells, transfers or delivers to another distributor a particular brand or brands for sale at wholesale.

6.3.g. A brewer or manufacturer, or any other person, firm or corporation engaging in the business of selling nonintoxicating beer to a distributor or wholesaler, may not discriminate in price, allowance, rebate, refund, commission, discount or service between distributors or wholesalers licensed in the state of West Virginia. "Discriminate", as used in this section, means the granting of more favorable prices, allowances, rebates, refunds, commissions, discounts or services to one West Virginia distributor or wholesaler when compared to another.

6.3.g.1. Breweries licensed to do business in the state of West Virginia may not engage in price discrimination or make any secret deals with distributors in the state of West Virginia.

6.3.g.2. No brewer shall discriminate in price, allowance, rebate, refund, commission, discount or service between wholesaler's purchasing beer, ale, malt beverages, or malt coolers and no brewer can threaten a distributor in order to change or maintain resale prices.

6.3.h. A brewer or manufacturer, or any other person, firm or corporation engaged in the business of selling nonintoxicating beer to a distributor or wholesaler, may not sell or deliver nonintoxicating beer to any licensed distributor or wholesaler unless and until the brewer, manufacturer, person, firm or corporation, as the case may be, has filed the brewery or dock price of the beer, by brands and container sizes, with the Commissioner. No price schedule shall be put into effect until fourteen (14) days after receipt by the Commissioner: Provided, that any price reductions shall remain in effect not less than thirty (30) days.

6.3.h.1. West Virginia licensed beer distributors shall not sell or deliver nonintoxicating beer to any licensed retailer unless the distributor:

6.3.h.1.A. Shall have filed with the Commissioner fourteen (14) days prior to the effective date the wholesale price of the nonintoxicating beer by brands and container sizes. The prices shall be the same for all licensees in a geographical area, the geographical area to be no smaller than a county;

6.3.h.1.B. Shall have furnished licensed retailers with a printed, lithographed or mimeographed price list, on or before the effective date, showing the wholesale price of the nonintoxicating beer by brands and container sizes; and,

6.3.h.1.C. Shall file with the Commissioner during the month of December a complete price listing along with UPC Codes of each product by package size and brand carried by the distributor. This filing is in addition to any other filing required pursuant to these rules.

6.3.h.2. In no case shall a distributor file with the Commissioner prices which would reflect quantity discounts.

6.3.h.3. To effect any planned change in the price list of nonintoxicating beer, a distributor must have filed with the Commissioner, in duplicate, the changed price list. A copy will be acknowledged by the Commissioner and returned to the distributor. New prices will then become effective within three (3) working days of the designated date and after receipt of written acknowledgement from the Commissioner. If a distributor fails to put price changes into effect within three (3) working days of the designated date and after written acknowledgement from the Commissioner the price change is null and void.

6.4. The following acts, when performed by any person, are unlawful:

6.4.a. Any person under the age of twenty-one (21) years who, for the purpose of purchasing nonintoxicating beer, misrepresents his or her age, or presents or offers any written evidence of age which is false, fraudulent or not actually his or her own, or who illegally attempts to purchase nonintoxicating beer, is guilty of a misdemeanor, and, upon conviction thereof, shall be fined in an amount not to exceed fifty dollars (\$50.00) or shall be imprisoned in the county jail for a period not to exceed seventy-two (72) hours, or both fined and imprisoned, or, in lieu of a fine and imprisonment, may, for the first offense, be placed on probation for a period not exceeding one (1) year.

6.4.b. Any person who knowingly buys for, gives to or furnishes nonintoxicating beer to anyone under the age of twenty-one (21) to whom they are not related by blood or marriage is guilty of a misdemeanor and shall, upon conviction thereof, be fined in an amount not to exceed one hundred dollars (\$100.00) or shall be imprisoned in the county jail for a period not to exceed ten (10) days, or both fined and imprisoned.

6.4.c. Any person who at any one time transports into the state for their personal use and not for resale, more than six and seventy-five hundredths (6.75) gallons of nonintoxicating beer, upon which the West Virginia barrel tax has not been imposed, is guilty of a misdemeanor and shall, upon conviction thereof, be fined in an amount not to exceed one hundred dollars (\$100.00), and shall have all the untaxed nonintoxicating beer in his or her possession at the time of the arrest confiscated, or imprisoned for ten (10) days in the county jail, or both fined and imprisoned.

7.1. Any West Virginia licensed retailer may advertise nonintoxicating beer products only in the following manner:

7.1.a. By a display or displays of such products and their containers within licensed establishments.

7.1.b. Within licensed establishments by signs, posters, placards, graphic displays, decorations or other similar advertising matter where the combined area for any one brand of nonintoxicating beer does not exceed a maximum area of two thousand two hundred (2,200) square inches, including crepe paper or other background or decorative material, signs, placards, posters or other similar advertising matter.

7.1.c. By advertisements in newspapers, advertising circulars and similar publications that nonintoxicating beer is for sale on the licensed premises.

7.2. Advertising matter as in section 7.1.b. of these rules may be furnished to a licensed retailer by a brewer or distributor only if it has no value to the licensed retailer except as advertisement.

7.2.a. No brewer or distributor shall directly or indirectly pay or credit the licensed retailer for displaying any advertisement or for any expense incidental to the advertisement.

7.2.b. These rules shall not be construed to permit the display of nonintoxicating beer or advertisement in show windows or to prohibit the display of faucet advertising indicating the brand or brands of draft nonintoxicating beer offered for sale.

7.2.c. No brewer or distributor shall paint the interior or exterior of a licensed retailer's licensed premises under the guise of advertising.

7.3. Any advertisement of nonintoxicating beer may not contain the following:

7.3.a. Any statement that is disparaging of a competitor's product;

7.3.b. Any statement, device or representation that is obscene or indecent;

7.3.c. Any statement that is false or misleading in any manner;

7.3.d. Any statement that may intimate or state that drinking of the advertised product produces good health, affects weight or similar statements.

7.4. Advertising gifts not exceeding twenty-five (\$25.00) in value, may be given if prior written approval of the Commissioner has been obtained.

7.5. The brewers and distributors furnishing the advertisements and the retailer in whose establishment or on whose grounds the advertisements are located are equally responsible for the displaying of the advertising prohibited in this rule.

7.6. Posters, placard, mirrors, windows, doors: All signs advertising the brand or the price of nonintoxicating beer on the windows or doors of licensed retailers are prohibited.

7.7. Point of Sale Materials: Materials used for point of sale of an electrical or mechanical construction are prohibited.

§176-1-8. Sanitation.

8.1. Health Permits: The Commissioner shall not issue a Class A license, authorizing the sale of nonintoxicating beer for consumption on the licensed premises, to any person, partnership, firm, association or corporation, unless the applicant has a permit from the Health Department in the county where the establishment is located. Such health permit must authorize the applicant to operate a tavern in the premises set out and described in the applicant's application. The Commissioner will not transfer a license to a new location unless the licensee has a permit from the appropriate Health Department to operate a tavern in the new location, as described in licensee's application for transfer.

8.2. Health, Sanitation, Toilets: Class A licensed establishments must be kept in a sanitary condition, as required by the appropriate Health Department. Class A licensees shall maintain separate toilets for each sex, properly labeled and conveniently located.

8.3. Sanitation Schools, Classes and Demonstrations: Brewers and distributors, either jointly or severally, with the cooperation of the Commissioner, may hold classes for the instruction of Class A licensees and their employees in the proper method of cleansing and sterilizing glasses and other equipment used in

the serving or dispensing of nonintoxicating beer to the public: Provided, that no refreshments shall be served except nonintoxicating beer for demonstration as to the impairment of its quality and taste by the use of improper cleansing and sterilizing of glasses and equipment.

8.4. Cleansing Beer Bottles, Pipe Lines, Registration:

8.4.a. Cleansing of beer bottles and bottling: Beer bottle soakers and cleansers shall be of such mechanical construction and operation as to entirely eliminate manual handling or contact with the bottles from the point the bottles are placed in the soaker until filled with beer and crowned. Soakers and cleansers used must be so equipped as to provide, at the least, one (1) outside and two (2) inside brushings, and five (5) individual rinsings of each bottle, using properly decreasing alkali solution, or an equivalent, and at proper temperature, until the bottles reach the fresh water compartment.

8.4.b. Cleansing of beer pipe lines and barrel tubes: Beer pipe lines and barrel tubes must be cleansed simultaneously, not less than twice each week (approximately ninety (90) hour intervals) by the use of a hydraulic pressure mechanism, hand pump suction or force cleaner, in conjunction with a suitable detergent, or detergent and sterilizer combined, or any other apparatus approved by the Commissioner. When coils are cleansed in either of these manners, the detergent must be permitted to remain in the line not less than ten (10) minutes, and may lie still or be agitated. After cleansing, lines shall be rinsed with clear water until all chemicals have been removed. All compounds used for cleansing beer pipe lines and barrel tubes must be approved by the Health Department in the county where the establishment is located.

8.4.c. Pipe lines and equipment: The use of any tubing or pipes through which nonintoxicating beer flows or is forced, other than tubing or pipes made of vinyl, polyethylene or similar materials is prohibited; and the use of rubber hose or tubing or any kindred products in connection with draft nonintoxicating beer is prohibited.

8.4.d. Gassing of nonintoxicating beer: Nonintoxicating beer may be gassed by the use of carbonic gas (carbon dioxide), or by the use of electrical, hydraulic or mechanical pumps. In the event pumps are used, the intake for the pumps shall be from the outside of the building where fresh and clean air is available, and the intake must be protected by a suitable filter or filters.

8.4.e. Cleansing and sterilizing of receptacles in which nonintoxicating beer is served: All glasses and similar containers used in serving nonintoxicating beer shall, after each use and before being used again, be thoroughly cleansed and sterilized:

8.4.e.1. Cleansing: Glasses and containers shall be washed in hot water containing an effective cleansing agent.

8.4.e.2. Sterilization: Glasses shall be sterilized by either of the following methods:

8.4.e.2.A. Method 1: Each glass or container shall be immersed for not less than one minute in clean water containing not less than one hundred (100) parts per million (1,000,000) of available chlorine. The glass or container shall be rinsed free from the washing solution. After the sterilizing operation, the chlorine odor may be eliminated by draining the glass for a period or rinsing in clean water. The most practical and effective arrangement for complying with Method 1 is to provide a small three (3) compartment vat. Each compartment should be provided with a means of draining. Hot and cold running water should be piped to the vat if available. The first compartment should contain the hot alkaline wash water; the second compartment clean rinse water, and the third compartment the chlorine sterilizing solution; and,

8.4.e.2.B. Method 2: Each glass or container shall be immersed for not less than two (2)

minutes in clean hot water maintained at a temperature of at least one hundred seventy (170) degrees Fahrenheit.

8.4.f. Registration: Every person, firm or corporation conducting a business in the state of West Virginia which involves the cleansing of beer coils and barrel tubes shall register with the Health Department in the county in which the establishment is located and the Commissioner's office by providing the business's name and address, and the method and chemicals used in the cleansing of the beer pipe lines and barrel tubes. Licensed retailers who do their own cleansing shall register as in the case of a person, firm or corporation.

8.4.f.1. All persons, firms or corporations engaged in the business of cleansing beer coils and barrel tubes shall furnish, without cost, to each licensed retailer a record card, which shall be approved by the Commissioner's office. The record card shall show the date of each cleansing, the method used and be signed by the person who performed the cleansing. The card shall provide for a period of six (6) months, and at the end of each six (6) months, shall be signed by the licensed retailer, notarized and forwarded immediately to the Commissioner's office. The card in use shall be kept upon the licensed premises and shall be available at all times for inspection by Health Department in the county in which the establishment is located and agents and employees of the Commissioner's office.

§176-1-9. Reserved For Future Use.

§176-1-10. Deposit For Packages, Container Deposits, Rebates.

10.1. Container Deposits, Rebates: On all wholesale and retail sales of nonintoxicating beer, ale, malt beverages or malt coolers in returnable bottles of any size, there shall be a minimum cash deposit charge of seventy-five cents (\$.75) per case, regardless of case size.

10.1.a. Each brewer, distributor or retailer authorized by the Commissioner to sell, ship or deliver nonintoxicating beer in the state of West Virginia shall not buy, sell, rent, lend, give or offer to buy, sell, rent, lend or give returnable bottles upon which a deposit charge has been paid. Bottles of the same type, color, and size shall be returned for rebate to the brewer or distributor to whom the deposit charge was paid in the cases in which originally sold or delivered.

10.1.b. Each brewer, distributor or retailer authorized by the Commissioner to sell, ship or deliver nonintoxicating beer in the state of West Virginia, shall accept for rebate all usable, returnable bottles upon which a deposit charge was made when sold or delivered, if the bottles are the same type, color, and size and in the cases in which originally sold or delivered, and shall pay rebates in the amount equal to the deposit charge.

§176-1-11. Chipped or Broken Bottles.

11.1. No allowances shall be made by any distributor to any licensed retailer for chipped bottles. Replacement may be made by any distributor to any licensed retailer as a result of broken bottles, where the crown and neck are intact. Breweries may share equally with distributors in replacement of broken bottles where the crown and neck are intact.

§176-1-12. Flat Beer.

12.1. No allowance shall be made by any brewer or distributor to any licensed retailer, nor shall any brewer make any allowance to any distributor as a result of any claim for flat beer in excess of a ratio of one (1) bottle to five hundred (500) bottles in any one (1) calendar month, except with the written approval of the Commissioner.

12.1.a. Any allowances made in excess of the rate of one (1) bottle to five hundred (500) bottles as a result of claims for flat beer will subject the offending parties to a revocation of their licenses.

§176-1-13. Brewers, Qualification, Shipment Into State, Bond, Contract.

13.1. West Virginia distributors shall not purchase, receive or distribute any nonintoxicating beer from any brewer, whether situate in or out of the state of West Virginia, unless the brewer is qualified to manufacture or ship nonintoxicating beer into the state by posting bond with the Commissioner. The bond must be conditioned upon the faithful observance of W. Va. Code §11-16-1 et seq. and the rules promulgated thereunder, and obtaining a license as described in W. Va. Code §11-16-1 et seq. which shall provide:

13.1.a. For the filing of such written reports as may be required by the Commissioner.

13.1.b. For the payment on behalf of its distributors, of the beer excise (barrel) tax in monthly advance payments, or as may be otherwise directed by rule or statute;

13.1.c. For the delivery, upon request, to the office of the Commissioner, the brewer's records, papers and accounts, for the purpose of inspecting and auditing the same, or the payment of the expense of an auditor(s) of the Commissioner while inspecting and auditing records in the office of the brewer; and

13.1.d. For the posting of bond, with surety, in the amount of twenty-five thousand dollars (\$25,000.00) conditioned upon the compliance by the brewer with all rules and laws of the state of West Virginia relating to nonintoxicating beer.

13.2. Brewer-Distributor Franchise Agreement and Its Termination.

13.2.a. A brewer may not transfer or deliver to a distributor any nonintoxicating beer without first having entered into an equitable franchise agreement with the distributor: Provided, that the franchise agreement must conform to the laws of this state and be approved in writing by the Commissioner. The franchise agreement shall be in writing, shall be identical as to terms and conditions with all other franchise agreements between the brewer and its other distributors in this state, and it shall contain a provision in substance or effect as follows:

13.2.a.1. The brewer recognizes that the distributor is free to manage his or her business in the manner the distributor considers best, and that this prerogative vests in the distributor, subject to the provisions of W. Va. Code §11-16-1 et seq., the exclusive right to establish the distributor's selling prices, to select the brands of nonintoxicating beer the distributor wishes to handle, and to determine the efforts and resources which the distributor will exert to develop and promote the sale of the brewer's products;

13.2.a.1.A. As a brewer's products handled by the distributor will not be sold by others in the territory assigned to the distributor, the brewer is dependent upon the distributor for the sale of such products; and,

13.2.a.1.B. The distributor must therefore competitively price the brewer's products, devote reasonable effort and resources to the sale of such products and maintain a satisfactory sales level.

13.2.a.2. A brewer may sell to another brewer the manufacturing, bottling or other production rights for the sale of nonintoxicating beer at wholesale. When a sale occurs, the franchised distributor of the selling brewer is entitled to continue distributing the selling brewer's nonintoxicating beer products as authorized in the distributor's existing franchise agreement. The acquiring brewer shall continue to market all the selling brewer's nonintoxicating beer products through the franchised distributor as though the

acquiring brewer had made the franchise agreement, and the acquiring brewer may terminate the franchise agreement only in accordance with W. Va. Code §11-16-21(b)(2) and section 13.2.b.2 of this rule. The acquiring brewer may continue to distribute any of its other nonintoxicating beer products through its duly authorized franchises in accordance with all other provisions of this section.

13.2.a.3. In the event a brewer withdraws his products from the state and subsequently reintroduces his products to the state at a later date, that brewer or his successor shall offer the territorial franchise for those products to such distributors who had a franchise agreement with the brewer in effect at the time of the original withdrawal of the brewer's products.

13.2.a.4. The provisions of this rule and W. Va. Code §11-16-1 et seq. shall be part of all franchise agreements subject to the provisions of W. Va. Code §11-16-21 and may not be altered by the parties.

13.2.b. A Brewer or Distributor Shall Not:

13.2.b.1. Coerce or persuade, or attempt to coerce or persuade, any licensee to enter into any contracts or agreements, whether written or oral, or to take any other action, which will violate or tend to violate any provision of W. Va. Code §11-6-1 et seq. or any of the rules, standards, requirements or orders of the Commissioner; or

13.2.b.2. Cancel, terminate or rescind without due regard for the equities of the brewer or distributor, and without just cause, any oral franchise agreement entered into on or before June 11, 1971, or any written franchise agreement entered into on, before, or subsequent to July 1, 1971.

13.2.b.2.A. The cancellation, termination or rescission of any franchise agreement shall not become effective for at least ninety (90) days after written notice of the action has been served on the affected party and the Commissioner by certified mail, return receipt requested.

13.2.b.2.B. The ninety (90) day period and the notice of cancellation, termination or rescission shall not apply if action is agreed to in writing by both the brewer and the distributor involved.

13.2.b.2.C. If a brewer seeks to terminate dealings with a distributor and the distributor does not agree in writing to the termination the brewer must:

13.2.b.2.C.1. Notify the Commissioner and the distributor in writing of the brewer's intent to terminate dealings with the distributor;

13.2.b.2.C.2. After receipt of approval of the termination from the Commissioner, offer to purchase all marketable nonintoxicating beer manufactured by the brewer in the possession of the distributor as of the date of termination at the then existing brewery platform price, plus transportation costs; and

13.2.b.2.C.3. Refrain from making any statement, or performing or causing to be performed, any act (other than the termination) detrimental to the distributor or to the distributor's business.

13.2.b.2.D. After receipt from a brewer of a written notice of termination and receipt from the Commissioner of approval of the termination, the distributor must:

13.2.b.2.D.1. Sell to the brewer all marketable nonintoxicating beer, ale, malt beverages or malt coolers manufactured by the brewer and in the possession of the distributor as of the date of the

termination at the then existing brewery platform price, plus transportation; and

13.2.b.2.D.2. Refrain from making any statement, or performing or causing to be performed, any act detrimental to the brewer or to the brewer's product or business.

13.2.b.2.E. If a distributor seeks to terminate dealings with a brewer, the distributor must:

13.2.b.2.E.1. Notify the Commissioner and the brewer, in writing, of the distributor's termination of dealings with the brewer;

13.2.b.2.E.2. Offer to sell to the brewer all marketable nonintoxicating beer, ale, malt beverages or malt coolers manufactured by the brewer in the possession of the West Virginia distributor as of the date of the termination at the then existing brewery platform price, not including transportation; and

13.2.b.2.E.3. Refrain from making any statement, or performing or causing to be performed, any act (other than the termination) detrimental to the brewer or to the brewer's product or business.

13.2.b.2.F. After receipt from a distributor of a written notice of termination, the brewer must:

13.2.b.2.F.1. Purchase from the distributor all marketable nonintoxicating beer manufactured by the brewer and in the possession of the distributor as of the date of the termination at the then existing brewery platform price, not including transportation; and

13.2.b.2.F.2. Refrain from making any statement, or performing or causing to be performed, any act detrimental to the distributor or to the distributor's business.

13.2.b.2.G. Hearing: If the Commissioner has grounds to believe that there has occurred a violation of section 13.2 of this rule by either a brewer or a distributor, the Commissioner may in his or her discretion order a hearing to determine whether or not a violation has occurred. If a hearing is ordered by the Commissioner, the hearing shall be held in the office of the Commissioner within thirty (30) days after the termination in question. Any hearing shall be conducted in the manner described in the W. Va. Code §11-16-1 et seq., and the burden of proving that a violation has been committed rests upon the brewer or distributor, as the case may be, against whom the termination has been effected. The Commissioner shall, within ten (10) days after the close of any hearing, make his or her determination and issue an appropriate order of findings as to whether or not a violation of this rule has occurred.

13.2.c. A distributor seeking to sell or transfer the distributor's franchise must give to the brewer at least sixty (60) days notice in writing of the impending sale or transfer, the identity of the person, firm or corporation to whom such sale or transfer is to be made, and any other information the brewer may reasonably request. The notice shall be made upon forms and contain such additional information as the Commissioner prescribes by rule. A copy of the notice shall be forwarded to the Commissioner.

13.2.c.1. The brewer must be given sixty (60) days to approve or disapprove the sale or transfer. If the brewer neither approves nor disapproves of the sale or transfer within sixty (60) days of the date of the receipt of the notice, the sale or transfer shall be considered approved.

13.2.c.2. In the event the brewer disapproves of the sale or transfer, the brewer must give written notice to the distributor, setting forth the reasons for the disapproval.

13.2.c.2.A. The brewer may not unreasonably withhold approval of the sale or transfer. The fact that the prospective franchisee, transferee or purchaser has not had prior experience in the nonintoxicating beer business or beer business is not considered sufficient reason for a valid disapproval; however, lack of experience may be considered in conjunction with other adverse factors in supporting the position of the brewer.

13.2.c.2.B. The brewer may not impose requirements which are more stringent or restrictive than those currently demanded or imposed upon the brewer's other distributors in the state of West Virginia.

13.2.c.3. A copy of the notice of disapproval must be forwarded to the Commissioner and to the prospective franchisee, transferee or purchaser. If the issue is not resolved within twenty (20) days from the date of the disapproval, any of the parties may demand arbitration and shall notify the other parties and the Commissioner of the demand for arbitration.

13.2.c.3.A. The matter must be submitted to a board of three (3) arbitrators in the county in which the distributor's principal place of business is located; the party requesting arbitration shall name one arbitrator. The party receiving the notice for arbitration shall, within ten (10) days after receipt, by notice name the second arbitrator.

13.2.c.3.B. If the party receiving notice fails to name the second arbitrator, the appointment may be made by the chief judge of the circuit court of the county in which the distributor's principal place of business is located if such action is requested by the party requesting arbitration in the first instance.

13.2.c.3.C. The two (2) appointed arbitrators must name the third, or if they fail to do so within ten (10) days after appointment of the second arbitrator, the third arbitrator may be appointed by the chief judge upon request of either party.

13.2.c.4. The arbitrators shall promptly hear and determine the questions submitted pursuant to the procedures established by the American Arbitration Association. The arbitrators shall render the decision with all reasonable speed and dispatch but in no event later than twenty (20) days after the conclusion of evidence. The decision must include findings of fact and conclusion of law and it must be based upon the justice and equity of the matter. The arbitrators shall give each party shall be given notice of the decision.

13.2.c.5. If the decision of the arbitrators approves the proposed sale or transfer, the brewer shall forthwith agree to the same and shall immediately transfer the franchise, unless notice of intent to appeal the decision is given the arbitrators and all other parties within ten (10) days of notification of the decision. If any party considers himself or herself aggrieved by the decision, that party has a right to bring an appropriate action in circuit court. Any and all notices shall be given to all parties by certified or registered mail, return receipt requested.

13.2.d. The violation of any provision of this subsection by any brewer constitutes grounds sufficient for the forfeiture of the bond furnished by the brewer in accordance with W. Va. Code §11-16-12. Moreover, any circuit court of the county in which a distributor's principal place of business is located has the jurisdiction and power to enjoin the cancellation, termination or rescission of any franchise agreement between a brewer and the distributor, and, in granting an injunction to a distributor, the court shall provide that the brewer so enjoined shall not supply the customers or territory of the distributor while the injunction is in effect.

13.3. Brewers and Distributors Interceding for Licensed Retailers: No brewer or distributor may intercede on behalf of any licensed retailer with respect to a refusal or revocation of a license.

13.4. **Brewers and Distributors Territorial Assignments:** All brewers shall submit to the Commissioner, in duplicate, a written description showing the assigned territories by brewers to each distributor. The description shall bear the signature of the brewer or its authorized agent and the distributor involved.

13.4.a. Duly assigned territories shall then become the responsibility of the brewer and distributor. No distributor shall sell any nonintoxicating beer to any licensed retailer not located within the distributor's assigned territory, and no licensed retailer shall purchase any nonintoxicating beer except from duly authorized distributors in whose assigned territory the licensed retailer is located. The brewer or duly authorized agent is responsible for submitting, by registered mail, to the office of the Commissioner, two (2) copies of any new written description showing any proposed change of territory, including signatures of the brewer or his or her authorized agent or the distributor. The new territorial assignment then becomes effective upon receipt by the parties of the written approval of the Commissioner.

§176-1-14. Revocation or Suspension of License.

14.1. Upon a determination of the Commissioner that a licensee has violated the provisions of West Virginia Code §11-16-18, acted in such a way as would have precluded initial or renewal licensure, or violated any rule or order promulgated by the Commissioner, the Commissioner may:

14.1.a. Revoke the licensee's license;

14.1.b. Suspend the licensee's license;

14.1.c. Place the licensee on probationary status for a period not to exceed twelve (12) months; and/or,

14.1.d. Impose a monetary penalty not to exceed one thousand dollars (\$1,000.00) for each violation where revocation is not imposed.

14.2. In addition to the grounds for revocation, suspension or other sanction of a license set forth in this section, conviction of the licensee of any offense constituting a violation of the laws of this state or of the United States relating to nonintoxicating beer or alcoholic liquor shall be mandatory grounds for sanctioning of a license. Conviction of the licensee of any violation of the laws of this state or of the United States relating to prostitution or the sale, possession or distribution of narcotics or controlled substances shall be mandatory grounds for revocation of the licensee's license for a period of at least one (1) year.

§176-1-15. Hearing On Sanctioning of License.

15.1. The Commissioner shall not revoke nor suspend any license issued pursuant to W. Va. Code §11-16-1 et seq. or impose any civil penalties authorized by the code unless and until a hearing is held after at least ten (10) days' notice to the licensee of the time and place of the hearing, unless the suspension is for failure to meet or maintain licensing requirements or the suspension is based on the Commissioner's belief that public safety will be adversely affected by the licensee's continued operation, and then the suspension shall be immediate and the licensee must cease all operations. The notice shall contain a statement or specification of the charges, grounds, or reasons for the proposed action, and shall be served upon the licensee as notices under the West Virginia rules of civil procedure or by certified mail, return receipt requested, to the address for which the license was issued. At the time and place designated in the notice, the licensee has the right to appear and produce evidence on his or her behalf, and to be represented by counsel.

15.2. The Commissioner has the authority to summon witnesses in the hearings, and fees of witnesses summoned on behalf of the state in proceedings to sanction licenses shall be treated as a part of the expenses

of administration and enforcement of W. Va. Code §11-16-1 et seq. The fees shall be the same as those in similar hearings in the circuit courts of this state. The Commissioner may, upon a finding of violation, assess a licensee a sum, not to exceed one hundred fifty dollars (\$150.00) per violation, to reimburse the Commissioner for expenditures for witness fees, court reporter fees and travel costs incurred in holding the hearing.

15.3. If, at the request of the licensee or on his or her motion, the hearing is continued and does not take place on the day fixed by the Commissioner in the notice, the Commissioner shall suspend the licensee's license until the hearing and decision of the Commissioner. In the event the license is revoked or suspended, upon hearing before the Commissioner, the licensee may not sell nonintoxicating beer pending an appeal of the Commissioner's decision. Any person continuing to sell nonintoxicating beer after his or her license has been suspended or revoked, is guilty of a misdemeanor and is subject to the penalties provided in W. Va. Code §11-16-19.

15.4. The action of the Commissioner in revoking or suspending a license is subject to review by the Circuit Court of Kanawha County, West Virginia, in the manner provided in W. Va. Code § 29A-1-1 et seq. The licensee shall file a petition for review with the circuit court within a period of thirty (30) days from the date of revocation or suspension by the Commissioner. Any licensee obtaining an order for review shall pay the costs and fees incident to transcribing, certifying and transmitting the records to the circuit court. A licensee shall apply to the Supreme Court of Appeals of West Virginia for a writ of error from any final order of the circuit court in any such matter within thirty (30) days from the entry of the final order.

15.5. All hearings regarding the proposed revocation or suspension of a license shall be held in the offices of the Commissioner unless otherwise provided in notice, or agreed upon between the licensee and the Commissioner. When a hearing is held elsewhere than in the Commissioner's office, the licensee may be required to make deposits of the estimated costs of the hearing.

15.6. Whenever any licensee has been convicted of any offense constituting a violation of the laws of this state or of the United States relating to nonintoxicating beer, or alcoholic liquor, and such conviction has become final, the clerk of the court in which the licensee has been convicted shall forward to the Commissioner a certified copy of the order or judgment of conviction if the clerk has knowledge that the person convicted is a licensee, together with certification of the clerk that the conviction is final.

15.7. In the case of a Class B licensee with multiple licensed locations, the Commissioner may, in his or her discretion, revoke suspend or otherwise sanction, as provided in W. Va. Code §11-16-23, only the license for the location or locations involved in the unlawful conduct as opposed to all separately licensed locations of the licensee.
